

## FAEIS Newsletter

March 22, 2007

This month we feature the **Forestry, General** discipline, which is [CIP 03.0501](#). Below are several charts that summarize the data found in FAEIS.

NOTE: Data from the 2006 student surveys are included in this report.

The data used in this report reflects current FAEIS data and should be viewed as a sample of the population of information for these disciplines. To improve the data, please consider adding or updating your data.

We intend to create additional newsletters to feature other disciplines. If you have suggestions, we would love to hear from you. We hope that you find these newsletters to be useful!

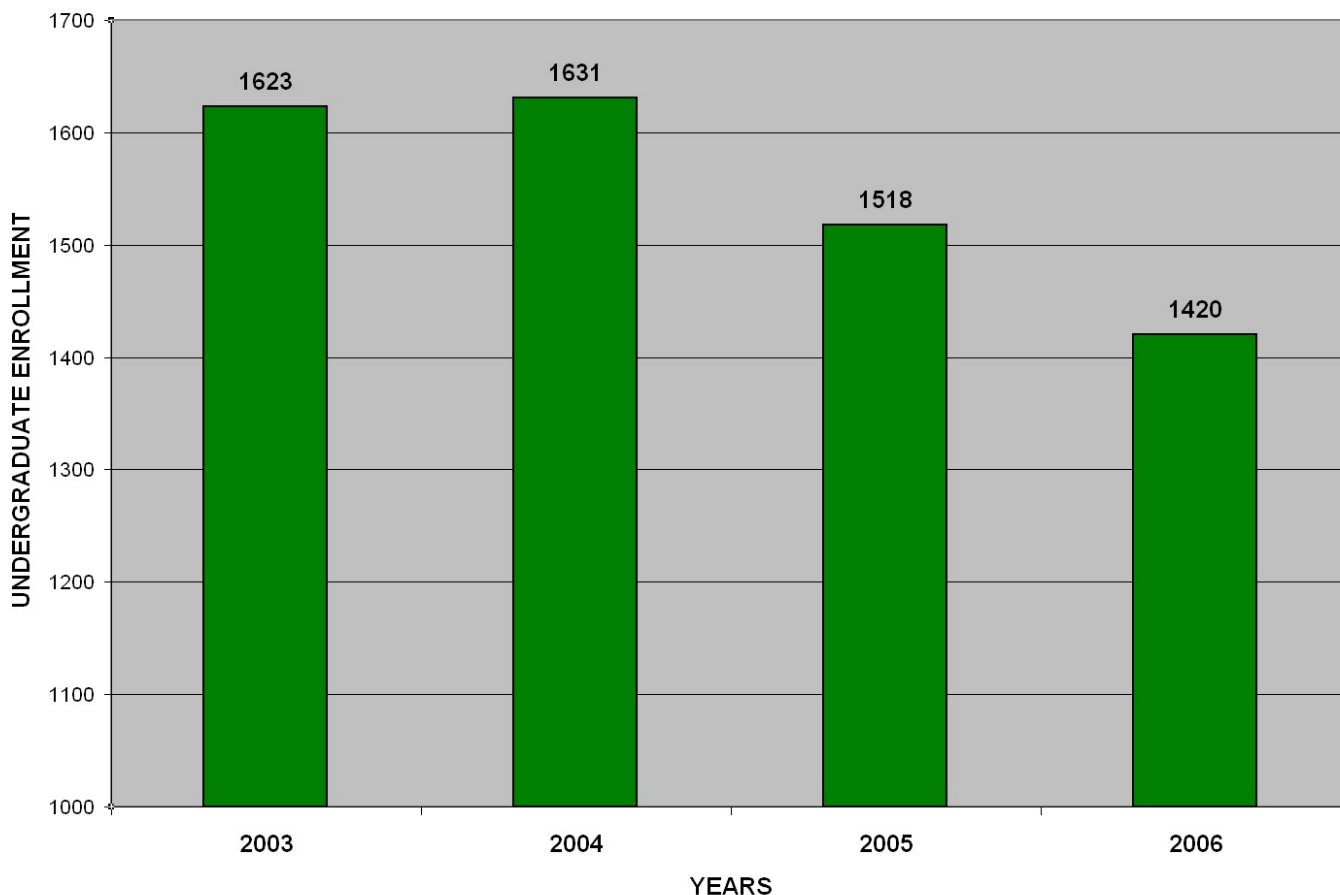

Yours truly,

The FAEIS Development Team
